### Viticulture

- Grown on 29 year old vines from a blend of two French clones.
- Manual thinning is practiced in the vineyard to reduce the crop yield and produce a more concentrated and higher quality grape.

### Vinification

- 2015 vintage commenced on August 13th and was completed by September 10th.
- Pinot Gris was harvested between September 1st and 6th.
- 60% fermented and aged in stainless steel, and the remaining 40% fermented and aged for 8 months in new to 3 year old (4th fill) French oak barrels.
- Bottling occurred in August 2016.

The Reserve signifies a select blend of the vintage which enhances the structure, finesse and elegance with extended bottle ageing prior to release.

### Winemaker Notes

The 2015 Reserve Pinot Gris is a complex wine displaying citrus blossom, butterscotch, with a rich orange peel finish. This wine could age 6 to 7 years.
